
The New York Beef Quality Assurance Program

MISSION

“To strengthen consumer confidence in beef by focusing the industry’s attention on the strategies which promote beef quality and safety, through the use of science, research, and educational initiatives.”

Acknowledgements:

The New York Beef Quality Assurance Program and manual are funded, in part, with beef checkoff dollars through the New York Beef Industry Council. This program is also financially supported by a matching Grow New York grant from the New York State Department of Agriculture and Markets.

Manual Formatted by: Heather M. Drape, New York Beef Industry Council

Program support provided by:

NYS Department of Agriculture and Markets
New York Beef Industry Council, Inc.
New York State Cattle Health Assurance Program (NYSCHAP)
New York Beef Producers’ Association
Cornell University
Cornell Cooperative Extension
New York State Veterinary Medical Association

Appreciation is expressed to the following states for sharing their BQA manuals:

Ohio
Pennsylvania
Nebraska
California
